Guided Group Meditation

Do you find meditation challenging? Mysterious? Meditation has a calming effect on the nervous system that helps us relax, breathe better, and makes it easier to shift out of "stress mode" and into the natural state of rest and healing. It's so much easier to meditate with a group, easier to get into it, easier to stay focused and relaxed, and the effects last longer. Join our 6 - week meditation experience to learn what to do about a busy mind, then you can meditate anytime, anywhere. Scientific evidence shows that meditation is extremely beneficial.

7-Day Mental Cleanse – FREE

Just as our bodies build up toxic and acid waste, so do our minds. When our body has accumulated an overload of toxicity, it begins to deteriorate and shut down. The same goes with our minds. When we overload our mind with toxic thoughts and attitudes, it begins to seep into our living environment creating stress, misery, anxiety, depression, self-consciousness, resentment, and so much more.

Prepare yourself to engage in a 7-day mental detox that will begin to cleanse your mind and revitalize your mental state. We will get you started on the first day and teach you the rest for the next six days.
